Happy New Year Assumption!

Assumption in the Spotlight

Assembly is usually a normal routine thing. But on Wednesday, January, 7 Assumption really showed their spirit. That's because the Best of the Bay film crew came to our school to put us on TV! Our school was voted the best private elementary school in Alameda County. They filmed the assembly, interviewed Ms. Lyons and School Board President, Mrs. Diaz, and came in during some classes. Watch in February to see if you're on TV!

Assumption School Prayer:

Lord Almighty,
We thank You for the many blessings
You give us every day.
We'd like to offer these special
intentions to You as we pray.
For the animals and environment, our
beautiful mother Earth.
The soldiers in Iraq, the armed forces,
and all who are ill, hospitalized, or hurt.
For all the Assumption community, that
we may learn to serve.
And all the cancer victims, that they may
be cured.
For the homeless and all of Your
creation everywhere
And that we may always remember that
You are there. Amen.

What is your New Year's resolution?
